**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose to use Sonic(my local provider) because AT&T was giving me poor service out here in rural Sonoma County. My local provider gives me internet broadband and telephone for less money and I can get help from them at any time. An actual human being answers the phone when I need help, and they stay on the phone until my problem is solved. Living in a rural area I need reliable broadband to stay on line with my business, and I will face a price hike if I can't get service from Sonic and have to go back to AT&T or Comcast.

Thank you for listening.
